Isolating the District

19th – 20th March 2020

- Curfew Under Section 144 CRPC in Bhilwara City.
  - *Phase I - With essential services open
  - *Phase II - Total shutdown
- City Border Sealed immediately.
- District Border Sealed immediately with check posts at all entry / exit points.
- Neighbouring Districts DMs requested to seal their borders with Bhilwara. (Double Check System)
- Railways and Roadways Services Stopped.
- Movement of Private Vehicles Stopped.

*20-03-2020 to 02-04-2020
*02-04-2020 to 13-04-2020
Isolating the District

- Epicentre’s Containment Zone & Buffer Zone turned into ‘No-Movement’ zone in the city.
- COVID positive cases - cluster mapping was done.
- Six areas were identified and special teams were deployed for continuous screening of suspected cases.
- Disinfection Strategy: followed on a daily basis for the below:
  - Containment zone & Buffer zone
  - Locality of positive cases
  - All ambulances and police vehicles
  - Screening centre and quarantine centres
  - Collectorate, Police line & other public dealing offices.
  - City Wards

TASK -1
19th – 20th March 2020
Location of positive cases in Bhilwara District
Area showing sample collection in city
SCREENING STRATEGY

Screening strategy
1. Survey teams were trained by specialised doctors regarding COVID/ILI symptoms, checking persons having foreign travel history, prioritizing epicentre affected population as well as migratory population.
2. Teams were given clearly demarcated areas for conducting survey. There was a supervisor appointed for every 10 survey teams.
3. A 24 hour WAR Room was established with the support of state RRT, WHO and Police.

Screening and Testing was prioritized for Brijesh Banger Memorial Hospital (which was the epicentre)—
1. ICU Admissions, Doctors & Nursing Staff.
2. IPD & OPD Patients.
3. Persons who were identified to have had contact history with the positive cases.
4. Health workers and other staff of BBMH.

Screening and home quarantine of all suspected (ILI) cases identified during survey.

Dedicated screening and testing centre was established.
