

## CARE KITS

District administration of Goalpara has left no stone unturned to fulfill its commitment to the fight against Covid-19. Recently, in its bid to boost the morale of the medical practitioners the district administration, under the keen and able guidance of the Honourable Deputy Commissioner of Goalpara, SmtiVarnali Deka, IAS executed upon the innovative idea of the distribution of 'Care Kits' to them.

The kits were distributed amongst the sixteen(16) numbers of medical practitioners rendering service at the isolation centre set up at 200 bedded Civil Hospital, Goalpara, which consists of three(3) patients currently. These practitioners consisted of five(5) doctors, six(6) nurses and five(5) Grade IV employees.

The kits consisted of a personalized coffee mug with a message from the Honourable Deputy Commissioner of Goalpara, SmtiVarnali Deka, IAS, a pajhar, a hand sanitizer, a chocolate, a jar of honey, a pen and a notepad.

Moreover, this initiative will be furthered to encourage all medical practitioners rendering service in the battle against this pandemic.

**'CORONA WARRIORS-HEROES OF THE DAY' INITIATIVE**

These unprecedented hard times of Covid-19 that has engulfed the entire world has called for mustering of immense mental strength and willingness to serve humanity by the officers/officials of administration and medical practitioners of all ranks. In order to acknowledge the selfless service of all in the district of Goalpara involved in containing the spread of the Covid-19 and to encourage them to further their service in the coming times, Honourable Deputy Commissioner of Goalapara, SmtiVarnali Deka, IAS has come up with the innovative 'Corona Warriors-Heroes of the Day' initiative.

Through this initiative the stories of strength of a few of the individuals who are frontline participants in our fight against Covid-19 is uploaded in the official facebook page of the district on everyday basis. This step not only boosts the morale of the administration and medical practitioners fraternity but will also inspire the general public to do their bit in earning victory in the battle against Covid-19.

HEROES OF THE DAY

Ashrumoni Malakar, Dist. Development Commissioner (DDC), It is really challenging for her being a single mother to manage the house, taking care of two school-going daughters and maintain the office at the same time. However, with exemplary acumen, she is... [See More](#)

*"On 3rd April 2020, after a chaos and panic situation arose following the admission of 3 covid-19 (+ve) patients, I was suddenly entrusted the charge of Superintendent, Civil Hospital Goalpara. This was my first-time experience as a Superintendent and that too in such a crucial situation. Respected DC Malakar assured me of her full help and cooperation in every aspect. DDC Malakar too immediately came forward. We made an action plan and started to act accordingly. Request for necessary items was placed and it was supplied within 24 hrs. Even PPE kits, N95 masks, sanitizers were dispatched within 24 hrs. Our Health Minister visited the Hospital on 5th April and was happy to see the arrangements. He also announced to pay Rs 1000/- daily to Tala Bastara(Cleaner) in Isolation Ward. This has immensely motivated all the medical staff in peaceful cooperation and doing their duties honestly. I offer my thanks to Deputy Commissioner Varnali Deka, ADC Health Services Sonm, DDC Malakar, Joint Director Nil Madhav Das, Health Services Goalpara and all my colleagues and public in extending their full support in managing this pandemic: so far." - Dr Mani Kuntala Choudhury quoted.*

## **COVASS APP**

These unprecedented times of Covid-19 pandemic demanded a platform that could cater to the vast spectrum of needs of the people across the state. The invention of this necessity is the Covass application which is the brainchild of Honourable Deputy Commissioner of GoalparaSmtiVarnali Deka, IAS and NIC, Goalpara.

The recently launched Covass application is an integrated one stop platform that brings together all information, services, analyses, messages, advisories, assistance, helpline, links, FAQs, etc related to Covid 10 in Assam.

This application is now available in Google Play Store.

## DISTRIBUTION OF NUTRITIOUS AT THE QUARANTINE CENTRES

The district administration of Goalpara has taken utmost care to provide a fresh, healthy and nutritious menu at quarantine centres. Besides, the food items along with other facilities at quarantine centres, cleanliness, etc are regularly updated in social media to ensure that people are aware of the condition of these centres.

**Aggressive use of social media for countering any rumours and for showcasing the best practices in the district**

All the steps and initiatives taken up by the district administration of Goalpara in its fight against Covid-19 has been regularly shared with the public through social media. Social media is also being used very effectively and efficaciously for countering all rumours which has led to curtailment of rumours from mischievous sources.

Deputy Commissioner, Goalpara has also been sending various messages regarding the symptoms of Covid-19, social distancing and so on.
